EYES ONLY AMBASSADOR NOFORN

For your personal information ~~the~~ Department has learned of a conversation you may have had some weeks ago with Kroll during ~~the~~ course of which you may have made some remarks along ~~the~~ lines ~~of~~ your 1049. These apparently were relayed to Bonn, where it is understood they may have aroused some uneasiness. ~~The~~ Department, of course, has in mind Kroll's apparent tendency to exaggerate or overemphasize on occasion. However, it would appreciate ~~the~~ benefit ~~of~~ your comment.

Suggestions in your Reftel, of course, are under consideration by ~~the~~ Working Group in ~~the~~ Department. As preliminary comment, it should be stated that these suggestions do run counter in several important respects to our current thinking here.
